Hamil Al-Yami Contracting

**COMPANY
PROFILE**

ABOUT THE COMPANY

Hamil Al-Yami Contracting, founded by its President and founder **Mr. Hamil Khuraya Al-Yami** in 1990, aims to provide engineering support services to Saudi Aramco and related clients.

Throughout the years, the company has consistently delivered quality services in various engineering disciplines, including civil, mechanical, electrical, and instrumentation, with a 100% success rate.

The company has managed to maintain a strong customer base and adapts to the changing needs of the industry as the business landscape evolves.

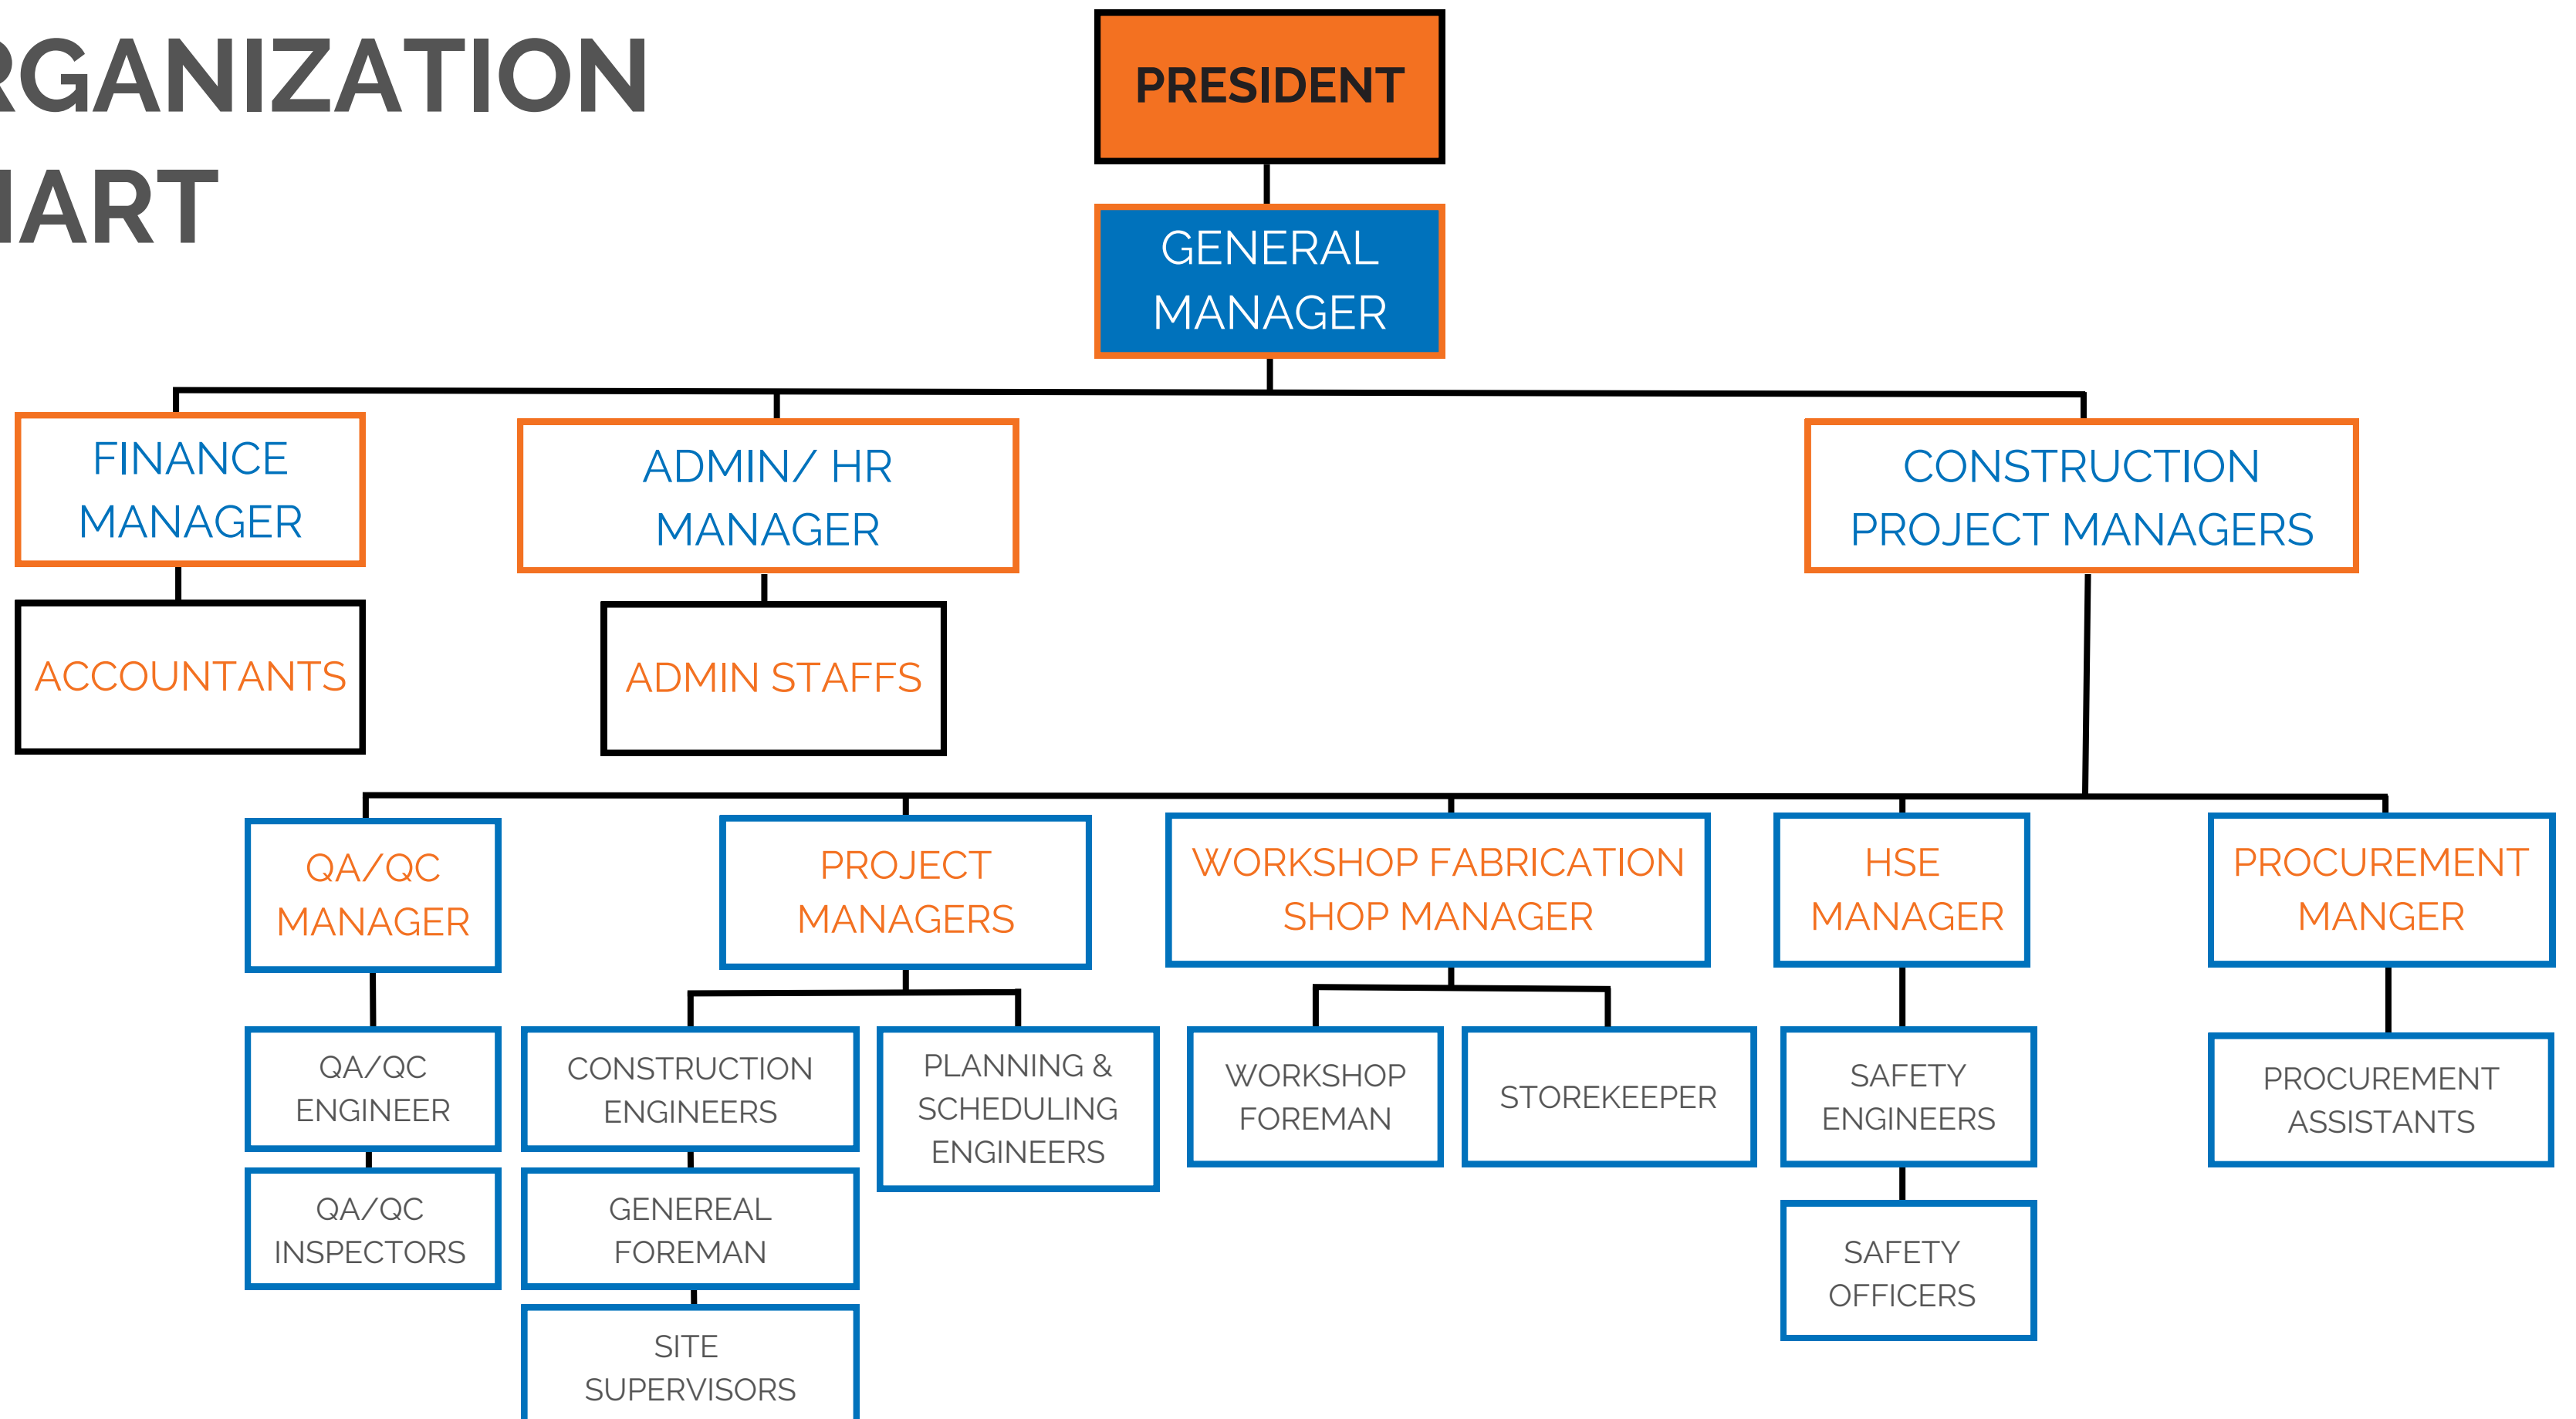

هامل اليامي للمقاولات
Hamil Al-Yami Contracting

Hamil Al-Yami Contracting is a 100% Saudi Owned Company and registered with **Ministry of Industry** and **Chamber Commerce** under Commercial Registration No. 2059001035

ORGANIZATION CHART

Mission

Providing cost-effective services while adhering to the highest industry standards through innovation and the effective use of evolving technologies.

Vision

As the business market becomes increasingly competitive, **Hamil Al-Yami Contracting** remains committed to expanding our services in various fields of construction and maintenance.

We strive to provide exceptional services to all of our clients, utilizing our expertise, knowledge, and 100% commitment to work execution without compromising on quality, adherence to specifications and standards set by our clients, and compliance with all safety rules and policies.

SPECIALIZED SERVICES

01

NON-METALLIC PIPING

- RTR/GRE (All Kind of RTR Piping including Utility, Chemical and Hydrocarbon services)
- FRP
- HDPE
- PVC-CPVC

02

ELECTRICAL/ ELECTRONICS

- Cathodic Protection
- General Electrical Works

03

ROAD MAINTENANCE

- Asphalt Construction & Repair
- Traffic Signs & Road Markings
- Pavement Markers
- Asphalt Crack Sealing (Routing & Filling)
- Sidewalk, Curb & Gutter
- Speed Hump & Rumble Strips

SPECIALIZED SERVICES

04

FENCING & ROAD BARRIER

- Chainlink Fence (SA Type I, II, III, IV, V, Decoration, Pedestrian etc.)
- Metal Beam Guard Rail, Cable Rail, Jersey Barrier
- Bollards, Guard Post

05

INSULATION FIREPROOFING

- Fire Proofing
- Refractory
- Abrasive/Grit Blasting
- Saudi Aramco APCS Coating

WHAT WE VALUE THE MOST...

Client relationship

Our clients, like our people, are our most treasured assets. We nurture every client relationship with commitment, passion and integrity, which is the reason why most of our clients have been with us through the decade of our existence.

some of
our clients:

We prioritize the needs and satisfaction of our clients by treating them with respect and offering a wide perspective to establish a friendly and harmonious business relationship

SERVICES COVERED UPON YEARS

FOUNDING PERIOD

Building Construction projects
a) Shopping complex
b) Housing complex
c) Other building construction and maintenance works.

LATER YEARS

In the year 2000, Hamil Al-Yami Contracting was able to secure subcontract work with Saudi Aramco through awarded Short Form Contracts for Saudi Aramco Pipeline and Facilities Maintenance, which includes, but is not limited to, the following types of work:

- Concrete Foundation repair and maintenance
- Construction of new drum foundation

MINOR ROADS MAINTENANCE SERVICES

WITH EFFECT FROM 2006 UP TO 2016

Saudi Aramco has awarded the MINOR ROADS MAINTENANCE SERVICES Projects to Hamil Al-Yami Contracting under contract #6600028520 for the second time.

The scope specified under the contract covers the following types of work, including but not limited to:

- Hot mix asphalt concrete.
- Base, sub-base, sub-grade and earthworks construction.
- Skid roads.
- Sand control.
- Concrete including sidewalks, curbs, gutters and other concrete structures.
- Road marking.
- Road sign installation.
- Traffic signal installation.
- Traffic signal maintenance, and
- Fence (repair & construction)

MISC CIVIL MAINT AT JUAYMAH NGLF MAINT D

FROM AUGUST 2012 AND VALID UP TO MARCH 2018

Furthermore, Saudi Aramco has awarded Hamil Al-Yami Contracting the MISC CIVIL MAINT. AT JUAYMAH NGLF MAINT D Projects under Saudi Aramco Contract No. 6600028890, a Long Form Contract that started in August 2012 and is valid until March 2018. The scope specified in our contract covers the following types of work, including but not limited to:

- Hot mix asphalt concrete.
- Base, sub-base, sub-grade and earthworks construction.
- Skid roads.
- Refractory jobs in Boiler.
- Concrete including Foundations, Floor Slab, Retaining walls
- Water Proofing.
- Sand Blasting.
- Coating, Weather proof painting
- Small scale construction
- Epoxy Grout Injection work
- Ceramic, Granite, Marble works
- Phenolex, Gypsum board partition
- Fire Proofing Jobs

RTR PIPE INSTALLATION & REPAIR

WITH EFFECT FROM 2003 UP TO 2023

In recognition of the outstanding performance executed by Hamil Al-Yami Contracting, Saudi Aramco has awarded the RTR PIPE REPAIR projects under contract #6600043190 for the fourth time. The scope specified under the contract covers the following types of work, including but not limited to

- Excavation
- Dewatering
- Shoring
- RTR pipe installation and repair services
- Pipe section replacement
- Thrust blocking
- Backfilling
- Compaction
- Asphaltting
- Concreting and other related work activities..

All works was executed in a professional manner with the supervision of our well-equipped site supervisors, foreman and skilled manpower as a whole following the required specification and standards set forth by Saudi Aramco.

Hamil Al-Yami Contracting is a classified and registered contractor with the following multinational companies within the Kingdom of Saudi Arabia such as:

- Saudi Aramco under Contractor Vendor No. 10006342, and
- Sabic Vendor No. 508535
- Jubail Royal Commission

Today, our company is capable of handling various projects related to the fields of civil, electrical, mechanical, instrumentation and electronics, such as building construction and maintenance, pipeline repair and maintenance, road construction and maintenance and other related construction projects. We are equipped with a well-balanced workforce and equipment, set budget standards, and a focus on delivering quality project outputs, all to ensure the satisfaction of our valued clients.
